Coal mining by private companies

902. SHRI AJAY MAROO: Will the PRIME MINISTER be pleased to state:

(a) whether Government are contemplating to allow the entry of private companies in the field of coal mining;

(b) whether applications have been received from any private company or companies in this regard;

(c) if so, the details thereof; and

(d) Government's policy in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYANA RAO): (a) to (d) Under the Coal Mines (Nationalisation) Act, 1973 as amended on 09.06.1993, an Indian company, both in private and public sector, engaged in power generation, iron and steel manufacturing and such other end-uses as may be notified by the Central Government from time to time can do mining of coal. Cement production was notified as end-use for coal mining on 15.03.1996. Thus companies in private sector have already been allowed captive mining of coal for the notified end-uses.

Under the above policy 57 coal blocks have already been allocated/ decided for allocation for captive mining to various companies in private sector. Moreover, in response to advertisement inviting applications for allocations in respect of 20 coal blocks and 8 lignite blocks about 730 applications have been received from various companies.
